When Tomorrow Starts Without Me

When tomorrow starts without me, and I'm not there to see,

if the sun should rise and find your eyes, all filled with tears for me.

As much as I love you and each time that you think of me,

I know you'll miss me too.

So when tomorrow starts without me, don't think we're far apart,

for every time you think of me, I'm right here in your heart.

- David Romano
