## *Poem - The Priceless Gifts in Life*

The priceless gifts in life  
are not the ones wrapped up  
and exchanged on special occasions,  
But the gifts we give when  
we give of ourselves.

It is the love that we share.

It is the comfort we lend at times of need.

It is the moments we spend together,  
helping each other follow our dreams.

The most priceless gifts in life  
are the understanding and caring,  
that come from the heart.

And each and every one of us  
has these gifts to offer ...  
Through the gift of ourselves.

## *Poem - Life Well Lived*

A life well lived is a precious gift,  
of hope and strength and grace,  
from someone who has made our world  
a brighter, better place.

It's filled with moments, sweet and sad  
with smiles and sometimes tears,  
with friendships formed and good times shared,  
and laughter through the years.

A life well lived is a legacy,  
of joy and pride and pleasure,  
a living, lasting memory  
our grateful heart's will treasure.
