Fireman's Prayer

When I am called to duty, God wherever flames may rage,
Give me the strength to save some life whatever be its age.

Help me to embrace a little child before it's too late,

Or some older person from the horror of that fate.

Enable me to be alert and hear the weakest shout,

And quickly and efficiently to put the fire out.

I want to fill my calling and give the best in me,

To guard my neighbour and protect his property.

And if according to Your will I have to lose my life,

Please bless with Your protecting hand

My children and my wife.

Farewell Poem

'Remember Me'

Don't remember me with sadness,

Don't remember me with tears,

Remember all the laughter,

We've shared throughout the years.

Now I am contented,

That my life it was worthwhile,

Knowing as I passed along the way,

I made somebody smile.

When you are walking down the street,

And you've got me on your mind,

I'm walking in your footsteps,

Only half a step behind.

So please don't be unhappy,

Just because I'm out of sight,

Remember that I'm with you,

Each morning, noon and night.
