## *The Day You Left*

I really don't know where to start  
The day you left, it broke my heart.

Not just a crack, it broke in two.  
Filled with love just for you.

That love's not gone, it's kept safe inside.  
But when you left, part of me died.

I want to remember the bond we share.  
But the pain in my heart is so hard to bear.

I miss you so much, and more every day.  
And love you much more than words  
could ever say.

## *When I Lost You*

I wish I could see you one more time  
Come walking through my door,  
But I know that is impossible,  
I will hear your voice no more.

I know you can feel my tears  
and you don't want me to cry,  
yet, my heart is broken because  
I can't understand why someone  
so precious had to die.

I pray that God will give me strength  
and somehow get me through  
as I struggle with this heartache  
that came when I lost you.

*Boof's family wish to thank all their family and friends who have been so caring in this sad time. Thank you to those who could be here with us today; and the thoughts of those who could not join us are genuinely felt and appreciated.*
