James Owen Lynch
1949 - 2020

James passed away suddenly on the 13th of November 2020 at the age of 71.

James was a wonderful character who loved to have a chat and who loved to go out in the car or in the bus. James would like to listen to Scottish music, especially the bagpipes. He would also sing all the songs that he knew and was happy when you sang along with him. James was good mates with Russell who lived in the same home along with three other men.

James and Russell shared many years together- fishing, picnics, out for a meal, social gatherings, festivities and sitting together sharing quiet moments.

James will be remembered by staff for his chats and his cheeky manner, thoughtfulness and his sense of humour. James loved life and looked forward to each day always with a smile on his face and he had great expectations of what the day would bring.
