Our Mother's Garden

Our Mother kept a garden.

A garden of the heart;

She planted all the good things,

That gave our life its start.

She turned us to the sunshine,

And encouraged us to dream:

Fostering and nurturing

The seeds of self-esteem.

And when the winds and rains came,

She protected us enough;

But not too much, she knew we'd need

To stand up strong and tough.

Her constant good example,

Always taught us right from wrong;

Markers for our pathway

To last our whole life long.

We are our Mother's garden,

We are her legacy.

And we hope today she feels the love,

Reflected back from us.
