Thank You Father

Thank You, Father, thank You, Jesus Christ

Thank You, Holy Spirit

Thank You for Your love, thank You for Your life

Thank You for the name You've given me

We know that You rejoice over every name You've given

We hear You sing with gladness and with joy

And Your song of rejoicing fills our hearts with joy

Thank You, thank You Lord

You Abide in Us

Lord, I know and have believed that You abide in me

Your anointing teaches me

To know, in You I abide and bring forth fruit

As Your word abides in me

Knowing You is eternal life

In Your body we are known

You abide in us and we abide in You

You are our dwelling place
