My Last End

The only reason these days,
that I ever get down on one knee,
is to view the world the way,
that only a bowler gets to see.

Upon that velvet turf,
looking down along the level green,
studying the kitty's spread,
and where the jack is on the scene.

Will my final bowl be cunning,
or just drive to win the end,
I know I'll find there's bowls in Heaven,
so worry not my friend.
