## *The Magic of a Mother's Touch*

There's magic in a Mother's touch,  
and sunshine in her smile.  
There's love in everything she does  
to make our lives worthwhile.  
We can find both hope and courage  
Just by looking in her eyes.  
Her laughter is a source of joy,  
her works are warm and wise.  
There is a kindness and compassion  
to be found in her embrace,  
and we see the light of heaven  
shining from a Mother's face.

*Kath's family thank you for your support and presence here today and invite you to join them for light refreshments in the Memories Room following the service.*
