BROTHER

*As kids we lived together,
we fought, we laughed, we cried.
We did not always show the love,
that we all had inside.
We shared our dreams, our plans
and some secrets too,
All the memories we share,
is what bonds us to you.
We grew to find we have a love
that is very strong today.
It's a love shared by our family,
that will never fade away.
You are our brother not by choice,
but by the nature of our birth.
We could not have chose a better brother,
to share life with on earth.*

- Mother and Son -

*I would give my life to have you back,
said his mum
I know you would, said her son.
I cry each night for you, said his mum
And I catch all of your tears, said her son
I pray for the day that I can see you again,
said his mum
Close your eyes and you can see me, said her son*

*You are the first person who loved me,
and you are the first person I loved.
You were always there when I needed you,
and you always knew when I needed a hug.
I am here for you now, mum
in your heart and in your soul.*

*I did not take your heart with me
instead I left mine with you to hold.
One day I will take your hand
and lead you to me,
but until then my beautiful mother,
when you want to see me
you only need to close your eyes.*

I LOVE YOU MORE

Jax's family wish to thank all their family and friends who have been so caring in this sad time. Thank you to those who could be here with us today, and the thoughts of those who could not join us are genuinely felt and appreciated.

We will have a memorial "gatho" at the North Wang Football Club when Covid restrictions ease. We would love all his family, friends, team mates and community to get together and share stories and memories of Jax.
