Poem

A Little Breeze

How wonderful it is today
To see everyone gathered here,
To celebrate my life this way,
Remember the good times with cheer.
I've had a wonderful life,
I'm sure you'll all agree.
I wish you could see me now,
I'm at peace and free.
I can go from town to town,
From the mountains to the sea,
From one planet to the next,
The stars the clouds, you'll see.
Next time you feel a little breeze,
Talk with me, I'm not far away,
I may softly call your name,
A little while beside you I'll stay.
I love and cherish you all,
And wish you all the best,
Enjoy life to the fullest:
Hug, laugh, & play with zest.

Poem

A Sister is Forever

A sister's a sister forever,
A bond that diminishes never,
A friend who is kindly and caring,
A sibling God chooses for sharing.
Few ties are as deep and profound
And with so much affection abound.
Though some thoughts are seldom expressed,
Love endures and survives every test.
Of the constants that rest in the heart,
A sister's a primary part.
She'll always be there when you need her,
You listen, you value, you heed her.
As growth, independence you ponder,
Your feelings grow deeper and fonder,
And life tells you one thing that's true,
A sister's a large part of you.
