

Legacy of Love

A wife, a mother, a nanna too,
This is the legacy we have from you
You taught us love and how to fight
You gave us strength, you gave us might.
A stronger person would be hard to find,
And in your heart you were always kind.
You fought for us all in one way or another
Not just as a wife not just as a mother.
For all of us you gave your best
And now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts we'll eternally keep.

*May the road rise up to meet you,
May the wind be always at your back,
May the sun shine warm upon your face;
the rains fall soft upon your fields
and until we meet again,
may God hold you
in the palm of His hand.*

Beris's family wish to thank you for your support
and presence here today and invite you to join them
for light refreshments in the Memories Room
following the service.

Nanny's Garden

Our Nanny kept a garden.

A garden of the heart;
She planted all the good things,
That gave our life it's start.

She turned us to the sunshine,
And encouraged us to dream:
Fostering and nurturing
The seeds of self-esteem.

And when the winds and rains came,
She protected us enough;
But not too much, she knew we'd need
To stand up strong and tough.

Her constant good example,
Always taught us right from wrong;
Markers for our pathway
To last our whole life long.

We are our Nanny's garden,
We are her legacy.
And we hope today she feels the love,
Reflected back from us.
