

In Loving Memory

LOIS MARGARET RYAN

Woman

*Smiling is infectious; you catch it like the flu,
When someone smiled at me today, I started smiling too.
I passed around the corner and someone saw my grin,
When he smiled I realized I'd passed it on to him.
I thought about that smile then I realized it's worth,
A single smile, just like mine could travel round the earth.
So, if you feel a smile begin, don't leave it undetected.
Let's start an epidemic quick, and get the world infected!!*
