Home On The Range - Gene Autry

Anne came to me today
and said it was time to go,
I looked at her and smiled,
as I whispered that "I know".
I then turned and looked behind me,
to see that I was asleep.
all my family were around me,
and I could hear them weep.
I gently touched each shoulder,
with Anne by my side.
then I turned away and walked,
with my angel guide.
Anne held my hand,
as she led the way.
I felt a sense of sadness,
as I left you all today.
I thank you for all the years,
for all your time and love.
I am now one of two again,
in our place from up above.
