Our Mother's Garden

Our Mother kept a garden.

A garden of the heart;
She planted all the good things,
That gave our life its start.

She turned us to the sunshine,
And encouraged us to dream:
Fostering and nurturing
The seeds of self-esteem.

And when the winds and rains came,
She protected us enough;
But not too much, she knew we'd need
To stand up strong and tough.

Her constant good example,
Always taught us right from wrong;
Markers for our pathway
To last our whole lives long.

We are our Mother's garden,
We are her legacy.
And we hope today she feels the love,
Reflected back from us.
