VERSE One at Rest Read by Annette Feldtmann

Think of me as one at rest, for me you should not weep
I have no pain, no troubled thoughts for I am just asleep.
The living thinking me that was, is now forever still
And life goes on without me now, as time forever will.
If your heart is heavy now because I've gone away
Dwell not long upon it friend or none of us can stay.
Those of you who liked me, I sincerely thank you all
And those of you who loved me, I thank you most of all.

The Lord's Prayer
