Never Tear Us Apart ~ INXS

Remember Only My Best

When I come to the end of my journey

And I travel my last weary mile

Just forget, if you can, that I ever frowned

And remember only the smile

Forget unkind words I have spoken

Remember some good I have done

Forget that I've stumbled and blundered

And sometimes fell by the way

Remember I fought some hard battles

And won, ere the close of day

Then forget to grieve for my going

I would not have you sad for a day

But in summer just gather some flowers

And remember the place where I lay

And come in the shade of the evening

When the sun paints the sky in the west

Stand for a few moments beside me

And "Remember only my best"
