'Remember Me'

Anon

*Though I have moved beyond you in this adventure,
Let a tear fall if you will, but let a smile come quickly
for I have loved the laughter of life.*

*Do not linger too long with your sadness,
for you will remember me.*

*As you reach the top of the mountain tracks
– remember me*

*As you stand upon a riverbank, gazing at the sunset
– remember me*

*As you look in awe at the grand eucalypts
– remember me*

*As you feel the cold crisp air around a campfire
– remember me*

*Remember me in your heart, your thoughts your memories
of the times we loved, the times we cried, the times we fought,
the times we shared.*

*Take the adventures, and sleep under the stars,
Find the muddy tracks & the best fishing spots,
Tackle the projects and make something new,
Share a beer with mates and toast the memories.
For if you always think of me, I will never be gone.
For I am the brightest star in the night sky.*
